What is Cashcrate?

Well I'm glad you asked. Cashcrate is a get paid to site where you can make money online by completing surveys, offers, shopping online and by referring others to Cashcrate. There are hundreds and thousands of companies who are willing to pay you for your time, whether it'd be giving your opinion on their products or services or even trying it out yourself.

So how does Cashcrate benefit from this? Well the money is paid by the company, which is then split between you, the user, and Cashcrate, the middleman who connects the company to you. The split is usually something like **75/25 in your favour**. Ultimately, you get paid, Cashcrate gets paid and the company gets your opinions → it's pretty much a **win-win-win situation!**

You can also earn points by playing Cashcrate games, which can then be redeemed for non-cash prizes such as gift cards, iPods, cameras and even a PS3!

Other things about Cashcrate that you should know:

- Must be at least 13 years old to join
- Cashcrate has been around since 2006 and has over 2 million members
- Minimum payout is US\$20
- Payments are processed by the 20th of the following month. For example, if you earn \$250 in June, you'll get your payment on the 20th of July.
- **Cashcrate has a 2-tier, 5 level referral program (more about this later)**
- Registration is free, as a matter of fact, you **get paid \$1 for signing up** and completing your profile!

Cashcrate's Referral Program

Even though Cashcrate accepts international members, Cashcrate members who are not from the US have far fewer surveys and offers than Cashcrate members from the US. So, it's harder to make fast money from Cashcrate if you're not from the US.

However, that's where their **referral program** comes to the rescue. It's probably the best referral program I have ever come across. You actually get rewarded for referring more members, compared to other get paid to sites that are either only 1-tier programs or don't have multiple levels, compared to Cashcrate.

So what is the Cashcrate referral program like? Well, once you sign up, you begin at the Bronze level. Cashcrate has a total of 5 levels (starting from the lowest): **Bronze, Silver, Gold, Platinum and Elite**. And, of course, being a 2-tiered program means that if **your referrals refer new members**, then those new members who earn money will earn **you** money. It's almost like a win-win-win situation again!

Being at the Bronze level also means that your 1st level referrals will earn you 20% of their earnings and your 2nd level referrals will earn you 10% of their earnings. This gradually increases until at the Elite level where your 1st level referrals will earn you 30% of their earnings and 2nd level referrals will earn you 20% of their earnings! It honestly doesn't get better than this.

First Level: Bronze

All users start out at this referral level.

Active Referrals Needed: None!

First Level Referral Earnings: 20%

Second Level Referral Earnings: 10%

Other Benefits:

- Get a \$3.00 bonus when your referral makes their first \$10.00.
- Get \$0.05 for each Daily Survey your referral completes

Second Level: Silver

Active Referrals Needed: 50
First Level Referral Earnings: 25%
Second Level Referral Earnings: 10%

Other Benefits:

- Get paid on the 1st of every month rather than the 15th.
- Choose between check or Direct Deposit for your payment method.
- Option to get \$1.00 for every active referral instead of the usual \$3.00 bonus.

Third Level: Gold

Active Referrals Needed: 150
First Level Referral Earnings: 25%
Second Level Referral Earnings: 15%

Fourth Level: Platinum

Active Referrals Needed: 300
First Level Referral Earnings: 30%
Second Level Referral Earnings: 15%

Fifth Level: Elite

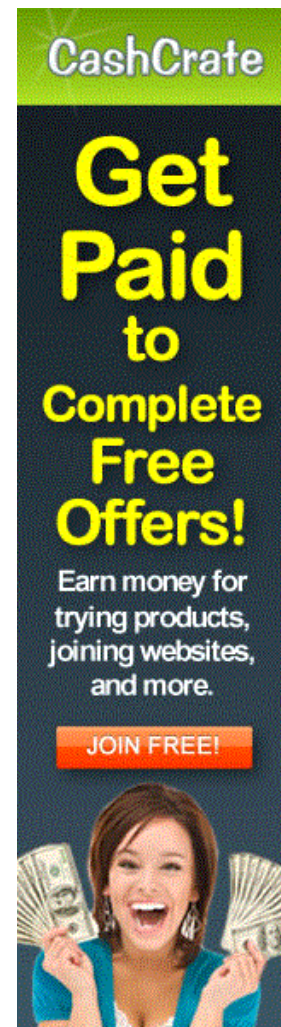

Active Referrals Needed: 500
First Level Referral Earnings: 30%
Second Level Referral Earnings: 20%

Other Benefits:

- Get paid by Direct Deposit or Check.

As you can see, you need ACTIVE referrals to increase your rank, otherwise you won't be able to reap the benefits.

##Active referrals are defined by Cashcrate as any user from the US, Canada or the UK who completes at least one offer or Daily Survey.

How to Get Referrals to Cashcrate

- ❖ Advertise on get paid to sites with links (view ads) and banners
- ❖ Tell friends and family
- ❖ Traffic exchanges
- ❖ Referral exchanges
- ❖ Forum signatures
- ❖ Purchase referrals
- ❖ PPC (Pay Per Click) like Google Adwords etc.
- ❖ Social Bookmarking or Networking and much more...

1. Advertising on other get paid to sites with links and banners → **Highly Targeted** - This works great for get paid to sites but you have to spend money and advertise **individually on each get paid to site** manually for your each affiliate site. Link advertising is too expensive but banner advertising is better.

2. Tell friends and family → Only gets limited referrals.

3. Traffic Exchanges, Referral Exchanges, Forum signatures → This works great, and will definitely get you referrals, but you will have to spend more and more time, at least 1 or 2 hours daily.

4. Purchase Referrals → This is very good, but there is no guarantee of active referrals .

5. PPC → **Google Adwords etc.**, This works great, but costs more.

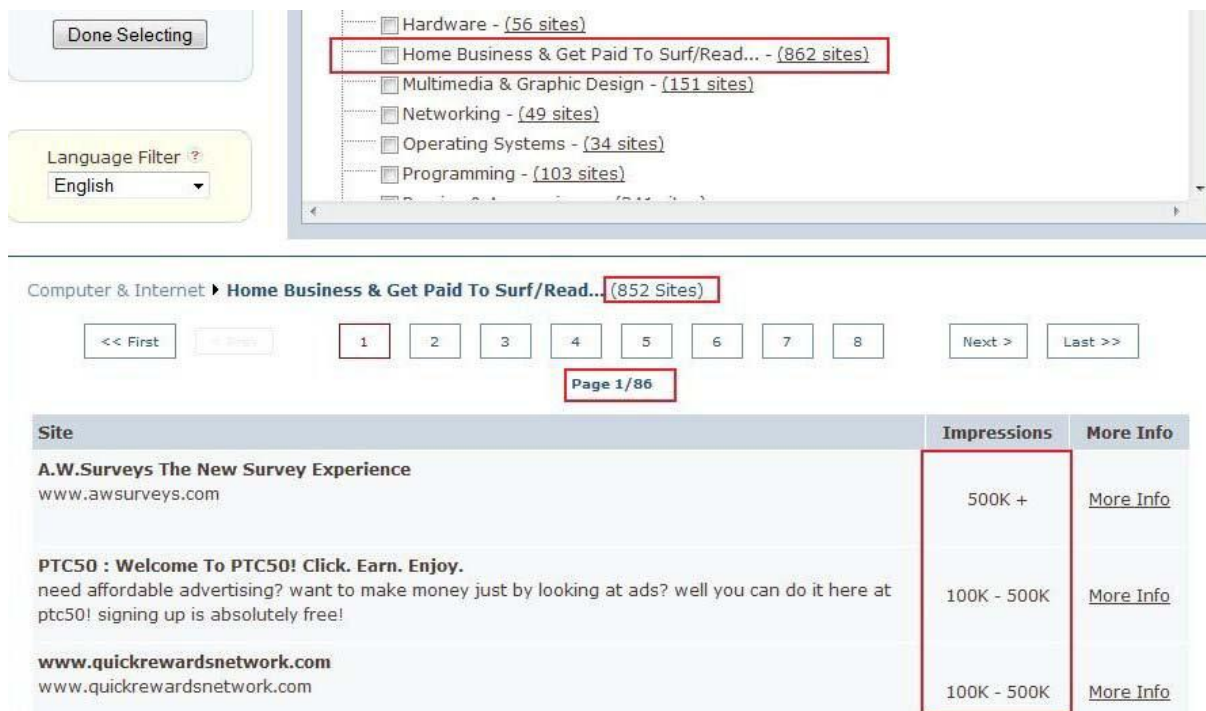

6. Social Bookmarking or Networking → Twitter, Facebook, etc., All the above methods work great for getting referrals and most of them need lots of time and effort. I tried most of the above methods and got some referrals. But doing all those things manually is exhausting and very time consuming.

So, don't waste time. Get active direct referrals on Auto-Pilot (24 x 7). Because 'Time Is Money'.

Cashcrate Referral Secrets Method – I

At that time I found Bidvertiser (another PPC network) and it gave me \$20 in free clicks after joining. I used \$20 and got many referrals. After joining Bidvertiser, everything changed, I am getting referrals on auto-pilot and it needs only <5 minutes daily to monitor the campaign. When you advertise in Bidvertiser, your ad will be shown to **100s of targeted sites 24x7** on complete Auto-Pilot.

The Bidvertiser Performance Tracker allows you to count how many of the clicks we are sending to your website are converted into signups, leads or any other user behavior you deem valuable. This valuable information will help you identify how effective and categories/sites you have selected.

To setup the Bidvertiser Performance Tracker, simply copy (Ctrl+C) and paste (Ctrl+V) the following HTML code to your order pages (usually the sales or sign-up confirmation page, also known as the "Thank you for your order" pages):

```

var bdv_AID = 101031342;
var bdv_protocol="http://";
if(location.protocol == "https:")
{
    bdv_protocol="https://";
}
```

Due to the \$0.05 per click, you will get 20 clicks for \$1.

19. Conversions: Conversions are excellent. I got 2 to 3 referrals for every \$1 spent for 'Cashcrate' and extra referrals for other GET PAID TOs also.

20. CPC: But it costs more if you go with only one GET PAID TO. That's why you have to go with more GET PAID TOs together.

This will decrease your advertising costs and you will get referrals for all your favourite GET PAID TOs as well. **For this you need to have a blog (or website).**

21. How to Make 'Active' Referrals: For this, you need to have a blog (or website). So, **I strongly recommend creating a blog with all your GET PAID TOs.** If you have a blog, and if it is indexed in search engines like Google and Yahoo for your 'keywords', **you will get free traffic & free referrals also.** This is a great additional advantage.

Cashcrate Referral Secrets Method – II

Click below on how to make a blog:

[How to Create a Blog with Blogger - Video Tutorial](#) Or go to www.blogger.com and click 'Watch a video tutorial'

Or search Google for 'how to make a blog with blogger?'

Example Blog → Killer Blog for 'Cashcrate' →

After registering at blogger, go to the layout and put banners and payment proofs like this:

Banner 1 → Cashcrate Banner

Payment Proof 1 → Cashcrate Payment Proof 1

Payment Proof 2 → Cashcrate Payment Proof 2

Banner 2 → Any Other GET PAID TO Banner

Blog Posts → Content given in the next page

Banner 3, 4, 5 (below) → Other GET PAID TO Banners

Right side bar → Payment Processor's Banners (AlertPay, PayPal) (**And also Bidvertiser– Important**) or GET PAID TO Proofs or PTR links and site stats like histats.com and Bidvertiser's performance tracker code.

In my experience, 'top banners' got more referrals. Just rotate the top banners after getting sufficient referrals.

Important: You must put your affiliate links in every banner and payment proofs.

Don't put more than 5 GET PAID TO banners in blog, because overload kills your business and you won't get more referrals.

24. Post content about Cashcrate in 'New Post' (Blog Posts) → Click 'Publish'
→: You can change and add this for any GET PAID TO since the concept is same.

25. Add Real Payment Proofs: If your payment proof is like this in the blog, guess how many active members will you get?

<input type="checkbox"/>	01-Oct-2009	Payment From	NeoBux	Completed	Details	\$10.17	\$0.00	\$10.17 USD
--------------------------	-------------	--------------	--------	-----------	-------------------------	---------	--------	-------------

Let's go for big payment proofs like these and guess how many active members will you get?

<input type="checkbox"/>	Date	Type	Name/Email	Payment status	Details	Order status/Actions	Gross	Fee	Net amount
<input type="checkbox"/>	17-Nov-2009	Payment From	NeoBux	Completed	Details		\$39.84	\$0.00	\$39.84 USD
<input type="checkbox"/>	15-Nov-2009	Payment From	NeoBux	Completed	Details		\$83.45	\$0.00	\$83.45 USD
<input type="checkbox"/>	12-Nov-2009	Payment From	NeoBux	Completed	Details		\$59.23	\$0.00	\$59.23 USD
<input type="checkbox"/>	10-Nov-2009	Payment From	NeoBux	Completed	Details		\$52.69	\$0.00	\$52.69 USD
<input type="checkbox"/>	08-Nov-2009	Payment From	NeoBux	Completed	Details		\$54.66	\$0.00	\$54.66 USD
<input type="checkbox"/>	06-Nov-2009	Payment From	NeoBux	Completed	Details		\$51.57	\$0.00	\$51.57 USD

Obviously, payment proofs definitely increases active referrals.

Image or banner code for your blog:

** **

Just change:

1. TARGET URL — your referral id
2. IMAGE URL — your referral banner
3. WIDTH — the width of your banner, "468" for a Standard banner

4. HEIGHT — the height of your banner, "60" for a Standard banner

Example code for a 468x60 banners or image:

```
<a href="www.website.com"> <img src= www.website.com/image.jpg  
Width="468" height="60" border="0"></a>
```

You can change the width (468) and/or height (60) for larger Banners or images.

Example → Killer Campaign Ad for ‘Cashcrate’ (Useful for Any GET PAID TO):

Name your new ad:	<input type="text" value="PtcS"/>	4/25 (Won't be seen by customers)
.....		
Title:	<input type="text" value="Get Paid Every 30 Seconds"/>	25/25
Description line 1:	<input type="text" value="Paying Instantly Since 1 Year"/>	29/35
Description line 2:	<input type="text" value="\$0.02 Per Click, Join Free - Neobux"/>	35/35
Display URL  :	<input type="text" value="www.blogname.blogspot.com"/>	25/35
.....		
Target URL  :	<input type="text" value="http:// www.blogname.blogspot.com"/>	

Guess if 25% of them are active, the amount you invested in Bidvertiser will easily return back in a few days.

Below is an example of 100s of active referrals from 1 blog only:

Referral	Came from	Referral since	Last click	Clicks	Avg.

And the above picture shows how many active referrals I am getting month after month from **1 blog only** for **Cashcrate** and I am still getting referrals daily even most of the GET PAID TOs are saturated for getting referrals. And **I also got 100s of referrals** for Clixsense, GPT Bank, Wordlinx, PTRs, AlertPay, Bidvertiser and other GET PAID TOs.

Oh, I forgot to mention that **Bidvertiser also has affiliate program** which pays either directly to your **PayPal account (minimum payout = \$10)** or **sends you a check (minimum payout = \$100)**.

Bidvertiser's secret: If you have no money to invest, don't worry, Bidvertiser **allows multiple accounts**. So, you will get **\$20 in free clicks for every account**. **But going with only one account is always safe and recommended** for all your campaigns for multiple benefits like affiliate commissions and good campaigns.

Make More Money By Disconnecting Internet?

(from blog 'KrisMainieri')

We spend a good 70% of our time online majoring in minor things – like checking our stats, email, skype, forums etc... When I had no internet, I remember driving home and thinking of everything I wish I could do if I wish. I even listed them in order of importance and created a clear action plan, can you guess what happened after I connected to the Internet again?

Yes, MASSIVE ACTION!

Follow the steps below **EXACTLY** and I guarantee you'll get clear idea on what your priorities are and you'll be able to make MASSIVE progress!

Here's your action plan (you might want to write this down):

#1 - Completely disconnect your internet modem/router from its power source.

#2 - Do absolutely NOTHING PC related for at least 1 hr.... trust me on this... it's important! (This includes using your phone browser).

#3 - After backing off for a minimum of 1 hr, this should give you some stuff to think about in your business... write down the 4 most absolutely critical actions you need to get done but have been putting off.

#4 – Write under each item a quick 5-step action plan for getting this thing done. Keep it simple.

#5 – When and ONLY when you're 100% clear and focused on what needs to be done, then connect back to your internet.

#6 – Rinse and repeat! Once you learn how to distinguish play time and work time is when you'll start working in a whole different level.

Try it out and see if this works for you!
